In the special BDC trace program initiated by ~~STELING~~ late in 1963 to double check persons whose background was in some way questionable, the following 21 true name identifications new to MLB's UJVENTURE files had been processed by 31 March 1964. We do not know which are staffers and which merely CATIE agents. Please assign 201-numbers to individuals as appropriate.

DISPATCH

CATIE traced him in May 1960 because of operational interest.

He was checked with the NDC in April 1958, whether on behalf of CATIDE
unknown.

EWAG-13605, 24 February 1964, refers to his having served during the war with the SD, Sipo, and Grenzpolizei.

He is probably identical with Friedrich VIERBACH, @SINGH, mentioned in the WINCHESTY damage report, as a member of a CATIE surveillance team in the KOREN area.

t. ^{TAC} *BROOK, Fritz Alois (Dr.) (2 [])
Born 19 July 1906 in Balzers (probably Balzer, USSR)
Occupation: Solicitor
